

Meet Swoop™

Portable MR imaging
as easy to acquire
as it is to use.

Introducing the **Total Rethink Buying Process™**

Hyperfine has simplified the process of acquiring medical equipment with a flattened, direct, start-to-finish approach that streamlines evaluation, acquisition, and adoption of the category-defining Swoop™ Portable MR Imaging System.

The Swoop™ Store

With a small down payment, the Swoop™ system can be acquired online.

Simple, Transparent Pricing

Hyperfine offers the Swoop™ system with a 3-year subscription, including software updates, service and maintenance, as well as training. Clearly stated pricing on our website means there are no hidden costs of ownership.

Complete Customer Satisfaction

The Swoop™ Portable MR Imaging System comes with a 30-day 'No Questions Asked' return policy.

Demo at Your Door™

Healthcare providers can easily request to demo the Swoop™ system at their hospital, clinic, or any convenient location. Visit DemoAtYourDoor.com to request your demo.
